

NORTH PACIFIC

PROPERTIES

WHY CHOOSE NORTH PACIFIC PROPERTIES?

Our mission is to bring **quality tenants and owners together** throughout the Puget Sound region with professional, courteous, **hassle-free property management** tailored to the needs of our clients. North Pacific Properties is a qualified Northwest-based real estate brokerage and property management company established in 2008. We understand how to **maximize the profitability of owners** while maintaining attractive, safe and comfortable housing for renters - all at a **competitive price**. Our comprehensive property management services are provided by a team of **local, licensed real estate professionals** that are **required by law and reinforced by company policy to stay abreast of new real estate legislature**. This knowledge, combined with their experience, reduces liabilities of your investment.
